

An SBA 8(a) ANC whose leadership has more than \$90 million in tribal, state and federal past performance supporting:

- HHS (SAMHSA, LIHEAP, ANA, CDC)
- DoD (USACE, USN, USAF)
- DHS (USCG)

### Key Differentiators:

Founded by the survivors of the 1912 Novarupta volcanic eruption, pure grit is in our DNA; providing training and technical assistance to federal program beneficiaries in some of the most remote corners of North America at the extremes of the digital divide has taught us adaptability and resourcefulness. We employ the latest technology, as well as high levels of EQ (emotional intelligence) and CQ (cultural intelligence), to achieve our customer's goals.

### Core Competencies:

- Training and Technical Assistance (Federal Discretionary Grant Programs)
- Centers of Excellence
- Administrative and Program Analyst staffing
- Training – synchronous & asynchronous
- Hybrid & Virtual Meeting Logistics & Communications
- Objective Panel Review Logistics
- Smartsheet Gold Solutions Partner
- Arctic Security Policy and Research

### Current Project Highlights:

- Operate the national SAMHSA Tribal Training & Technical Assistance (T/TA) Center
- Provide national T/TA to Native Connections Grantees
- Operate the Alaska Region T/TA Center
- Supporting CDC in Atlanta, GA

### Sr. Leadership:

Anthony Caole, CEO  
 Doctoral Student Global Security  
 30+ years supporting tribes, and federal agencies
