

We are an SBA 8(a) ANC whose leadership has more than \$90 million in tribal, state and federal past performance having supported:

- HHS (SAMHSA, LIHEAP, ANA, CDC)
- DoD (USACE, USN, USAF)
- DHS (USCG)
- NGOs, including NEADA

### Key Differentiators:

Founded by the survivors of the 1912 Novarupta volcanic eruption, pure grit defines us. Providing training and technical assistance to federal program beneficiaries in some of the most remote corners of North America at the extremes of the digital divide has taught us adaptability and resourcefulness. We employ the latest technology, as well as high levels of EQ (emotional intelligence) and CQ (cultural intelligence), to achieve our customer's goals.

### Core Competencies:

- Federal agency grantee portfolio support and T/TA
- Grant Panel Review Logistics
- Administrative and Program Analyst staffing
- Project & Program Management systems and dashboards via Smartsheet Gov & other custom Smartsheet Solutions development
- Grants, EQ, CQ and other Soft Skills Training – synchronous & asynchronous
- Hybrid & Virtual Meeting Logistics & Communications
- Arctic Security Policy and Research

### Current and Past Performance:

- Developed online individual ARPA utility assistance payment tracking system in Smartsheet for a Tribe
- Operator of the national SAMHSA Tribal Training & Technical Assistance (T/TA) Center
- Provider of National T/TA - SAMHSA Native Connections
- Regional T/TA for Administration for Native Americans
